

JBL PhosEx Ultra CristalProfi i60/80/100/200

Phosphate remover cartridge for JBL CristalProfi i

Suitable for:

- Solves algae problems by removing the algae nutrient phosphate from the aquarium water
- Just insert the filter cartridge into the filter basket of the JBL internal filter (CristalProfi i 60, 80, 100, 200) instead of the filter sponge
- Completely ready for use with inner pipe. Can be refilled with JBL PhosEx ultra if required
- Replace after 2-3 months or check phosphate content with JBL phosphate test and use new filter insert if phosphate level has risen again (or refill with JBL PhosEx ultra)
- Package contents: 1 filter insert with 190 ml PhosEx ultra phosphate remover for 50 – 100 l

Product information

Clean and healthy water

Plant and food remains and metabolic substances lead to a deterioration of the quality of the water in the aquarium. Good water quality is necessary for healthy fish and plants. This can be achieved with various filters and filter materials. The filters suck in the aquarium water and remove the pollution and waste materials with the filter material from the water.
