DE 70 mm breite Doppelklinge aus Edelstahl. Keine Beschädigung der Silikonverklebung am Aquarium durch beidseitig berstehenden Rand.

Achtung, scharfe Klinge!

Darf nicht in die Hände von Kindern gelangen!

UK 70 mm broad stainless steel twin blade. No damage to the silicone adhesive bonding of the aquarium through edging protruding on both sides.

Caution! Sharp blade!
Keep out of reach of children!

FR Double lame de largeur 70 mm en acier inoxydable. Pas de risque de détérioration du collage silicone de l'aquarium grâce aux rebords de chaque côté.

Attention, lames tranchantes !
A tenir hors de la portée des enfants !
